

# THE INTERIOR JOURNAL

E. C. WALTON.

**HARRODSBURG** is one of the many up-to-date and delightful little cities found in this favored and famous blue grass section. Her homes are elegant, her people are refined, her merchants have big stocks of goods in splendid business houses, and who is a complete city within herself. In short, Harrodsburg is "all right," but that court-house spoils everything. Did you ever see it or hear its cow bell toll the hours? We hope not. Without joke or exaggeration, Harrodsburg's court-house would be a discredit to any pauper county in Indiana—the worst State in the group. It was built without the aid of an architect and probably for comfort, convenience and beauty were given consideration. The county court and circuit court room is one and the same, and it is not large enough to "whip a dog in," while its floor is rough as mountain roads and before the good roads movement was started the building is hardly decent enough to be condemned, let alone to get justice in and if the good people of Mercer don't soon pull it down and put up a more slightly one, outside aid will be solicited to do so. Judge Sautter would be justifiable, it seems to us, in refusing to hold court in such a concern as the Harrodsburg court house is.

The intense heat of the last two weeks has caused an alarmingly large number of deaths in the cities. In New York alone there were over 500 deaths from heat in two days while the proportions for those days more than double that number. While the heat is greater in the cities, the cause of so much destruction of human life is due to the fact that a great many of the poorer people haven't food enough to supply their wants and die in their efforts to sustain themselves and support their families. While Rockefeller, Carnegie and other rich men are giving of their means to various good causes they can now do great and immediate good by donating food and proper food to the hungry and thirsty people of New York and other cities. Even a few thousand dollars to each city would alleviate the suffering to some extent and might result in the saving of many lives.

If the Richmond Register would use the same energy in taking up Richmond as it does in running down the merchants and other persons who patronize that paper more liberally and the Register man would have less cause for complaint. If Brer Rock can't speak a good word for his town, it seems to us that it would be sensible in him to say nothing.

GOV. BECKHAM has appointed S. B. Dismann circuit judge in place of Judge Timiney, resigned. Mr. Dismann is one of the best lawyers in the mountains, is a highly respected citizen of Barbourville and is a democrat of the old school. The appointment is a capital one; just the kind our good governor usually makes.

AFTER his lecture on "A Conquering Nation" at Bristol, Tenn., 4,000 people shook hands with Hon. William Jennings Bryan. Notwithstanding his two defeats, everything goes to show that Mr. Bryan is still dear to the hearts of the people and that he is far from being dead politically or otherwise.

FRANK B. BURKE, who made one of the best speeches delivered here in the campaign of last year, is talked of for governor of Indiana. We are sure that Mr. Burke as governor of Indiana Taylor and Finley would not remain in the Hoosier State much longer than Pat stayed in the army.

PRESIDENT THOMAS, of the "busted" Seventh National Bank of New York, gave his wife a \$40,000 piece of jewelry when he wedded her last week. This is not likely to set well with those who lost in his bank and if it does not set tongues to wagging it will surprise us.

GOV. BRADLEY says he is out of politics and in the practice of law for money, but he takes time to say that Deboe will not be re-nominated for the Senate. Well, hardly. The republicans are not foolish enough to invite the defeat that seems inevitable.

THE Danville Advocate has just celebrated its 35th birthday. There are few, if any, better papers in the State than the Advocate and we have no exchange that we enjoy more or do more clipping from. Long live the good newspaper.

EDITOR HARRIS, of the Adair News, has stopped flogging with all lands long enough to count the pines and oaks in Columbia. He found 43 of the former and 19 of the latter.

A JUDGE in Naples sentenced a criminal to 1,088 years of solitary confinement. The judge must have thought the prisoner a very close relative of Nathaniel.

Marion Butler declares that the populist party will stand alone in the next presidential campaign on the platform of public ownership of natural monopolies.

## POLITICAL.

Nelson county republicans endorsed Sapp for reappointment as collector. Paul E. McDonald, of Kentucky, has been appointed an assistant surgeon in the navy.

Paris democrats renominated Ben Perry for mayor. He defeated W. F. Talbot seven votes.

Fred W. Martin, of Antioch, Ind., has been appointed commissioner of emigration for Porto Rico.

C. W. Emory was appointed county judge of McCracken county to succeed Judge Tully, deceased.

Major O. L. Preston resigned as paymaster in the army and resumed his old position of assistant secretary to the president.

Gen. Groves says he was misquoted regarding the three-term question, and declares that in his judgment no man will ever be elected a third term.

The expenditures of the government Wednesday were within \$45,000 of \$5,000,000. Of this amount nearly one-half was paid out for pensions and still the pension agents are not happy. The receipts of the government were over \$3,000,000.

With Steve Sharp, the traitor and turncoat, U. S. marshal, and Emmet Orr, who outraged the glorious constancy of Owen by the miserable misrepresentation of them at Frankfort, a deputy, it looks like republicans are not ungrateful, but are willing to award the meed of postage to those who are willing to give up their birthright for it.—Harrodsburg Democrat.

## MATRIMONIAL.

Albert Haynes and Miss Lucinda Jones were made husband and wife this week.

J. Clay Stone, of Paris, and Miss Mary Killebrew, of Louisville, who were married in Jeffersonville June 17, have just made their friends aware of the fact.

J. B. Floyd and Miss Effie, the handsome daughter of Henderson Baugh, of Highland, were married this week. The groom is a clever young man, while his bride is an excellent lady.

Miss Burnett Pinkerton, daughter of Eli, and Mrs. B. J. Pinkerton, of Hustoville, were married at the St. Nicholas Hotel, in Cincinnati, Tuesday evening, to Mr. Ed Huthings, a prominent young business man of St. Louis. The pair had been sweethearts for some time, but their marriage came as a genuine surprise to Miss Pinkerton's parents.

Mr. Gilbert Grinstead, formerly of this place, but now of Richmond, and Miss Mossie Wilson Parrish, also of that city, were married at Mr. Bland Baker's, in Danville, Wednesday, Rev. W. S. Grinstead, father of the groom, officiating. They drove to this place and after spending the night with his sister, Mrs. E. H. Baker, left for Taylorville, where they will visit his parents. Mr. Grinstead, who is just 18, is an unusually handsome and pleasant young lady, while all who know the groom recognize in him a splendid young gentleman, who is as clever as the days are long.

## CHURCH MATTERS.

Rev. J. W. Hagg's subject Sunday morning is "Rightly Dividing The Word of Truth."

The Madison county Sunday school convention will be held this year at Berea on July 31, in the college tabernacle.

The Rev. B. M. Shive, of Campbellville, who was recently called to the pastorate of the Southern Presbyterian church at Richmond, has decided not to accept.

The First Baptist church of Berea, will be dedicated Sunday. The dedication sermon will be preached by the Rev. Dr. Bow, of Louisville. He will also ordain the new pastor, the Rev. H. P. Aitch.

The ministers of the several churches have arranged to hold union services each Sunday night through July and August. The first service will be held in the Presbyterian church Sunday evening at 8 o'clock. Rev. J. B. Crouch preaching the sermon.

## THIS AND THAT.

J. C. Reid bought a lot of bluegrass seed at 40c.

E. P. Woods bought of Ed Peyton 20 70-pound lambs at 40c.
